Who Should Attend

Supervisors, project managers, foreman, and others responsible for your company's OSHA compliance standards, should receive this training, in addition to those required to attend by a contractor.

This 3-day, 30-hour class is designed to meet the safety education needs of foremen, estimators and workers, and fulfills OSHA 30-Hour requirements. Those attending all three sessions will receive a completion card from OSHA.

All attendees will receive a current OSHA 1926 Standards book, a student training manual and a laminated completion card from OSHA.

OSHA 30-Hour Construction Safety

Associated Builders and Contractors of Georgia, Inc.

About the Instructor

This class will be taught by **John Ambrosia**, an instructor with H B Training and Consulting. John is a Master Trainer with over 35 years' experience in all phases of construction – as project manager, owner's representative, architect's representative, construction manager, general and senior project superintendent, contract administrator, and in scheduling and document control.

John has served as General Superintendent for top 100 ENR contractors. He is certified by the National Center for Construction Education and Research (NCCER) and serves on NCCER's curriculum review board.
