

# February General Membership Meeting

## MEET AND GREET THE GENERAL CONTRACTORS

Associated Builders and Contractors of Georgia, Inc.

ABC focuses on fostering relationships among its members. This event provides our members an opportunity to create and strengthen relationships that are vital to everyone's success.

This event has been moved to an earlier time to allow you to be home for dinner or schedule dinner with other ABC members who attend. A cash bar will be available.

Students from Southern Polytechnic State University's Construction Management Program and Georgia Tech's Building and Construction program have been invited to meet with ABC members.

### *How it works:*

- Reserve booth space by completing the form on the back. Booth space is FREE for ABC GCs.
- Register Estimators, Project Managers, Superintendents and others who are responsible for hiring subcontractors and purchasing products and services.

You may attend even if you do not wish to display. Simply pay the \$30 per person registration fee. **ABC does not allow guests at this event. Any non-member who wants to attend must pre-register and pay the \$250 registration fee per person.**
